SYNERGY Battle Clinic
(1:15pm-2:45pm Session)

Creve Coeur Ice Rink, Creve Coeur, MO

Thank you for trusting in Synergy Hockey for your skaters' hockey development. We encourage you to provide us with your feedback, before, during and after your skaters' time with us, so we can be sure we're meeting your expectations, along with our own. We're excited for your skater to **WORK HARD, HAVE FUN** and **GET BETTER** with us this summer!

IMPORTANT CLINIC INFORMATION:

- Clinic Check-In and Sign-Out will be required EACH DAY for each participant. Our staff will be looking to greet EVERYONE as they walk through the rink doors at the start of each clinic as well as sending EVERYONE off at the end of each ice session. Please allow yourself enough time and be prepared to take a few minutes to check your skater in, and sign them out EACH day with a staff member. (for older skaters, driving themselves to and from the rink, we still require you to check in and out with coaches)
 - **For daily Check-In:** Provide coaches with your skaters FIRST and LAST name each day so they can properly check your skater in and direct them to the proper locker room or area.
 - If you have plans for someone other than the guardian listed on your skater account to pick him/her up, **PLEASE** be sure to make note of it in our SIGN OUT binder, which will be available at the registration table EACH day.
 - **For daily Sign-Out:** a SIGN-OUT Binder will be available for you to “sign-out” your participant each day. Our staff works hard to recognize parents but we ask that you be prepared to show identification at pick-up time just in case. Should someone other than you be picking up your participant at the end of the clinic, we ask that you (or the person doing the daily Check-In at the start of the camp day) make a note in the SIGN OUT Binder for that day, with the name of the person scheduled to do the pick-up. This process will help us ensure each participant is accounted for and leaving with an approved person. Should you have any questions about this process before camp, please call our office at 636-237-2220.
- If your skater has a medical condition that may affect him in any way, please inform our office and or SYNERGY Staff.
- Parents are welcome to watch any and all parts of the clinic. Parents are also welcome to assist in locker rooms when needed, however staff will be available to help tie skates if needed.
- Full USA Hockey approved gear for all on-ice sessions is required.
- All clinic participants will receive a jersey on the first day at check-in. This will be their jersey to keep and wear each day.
- Please inform your participant that Synergy Hockey will not tolerate bullying, horseplay, foul language or other forms of unacceptable and disrespectful behavior. **Please make sure they understand our policies for prescription/non-prescription medications and NO Cell Phones in Locker Rooms – anyone caught abusing any of these rules will be reprimanded.** It is at the discretion of the SYNERGY staff to do as they see fit with any situation whether it be a warning or a removal from further participation.
