

This is a MASTER schedule for BOTH lessons types (Skill Lessons & Power Skating Lessons) for our FALL 2020 SMALL GROUP TRAINING. SYNERGY reserves the right to cancel any ice time that that does not have enough skaters scheduled - but WILL contact any scheduled participant of the cancellation by email through the enrollment software at least 48 hours before the scheduled lesson time. In this event, a credit will be placed on the skaters account so another lesson time can be scheduled. It is BEST to schedule ALL your lessons immediately upon registration, and then make any individual changes to your schedule as the lesson dates approach. This way SYNERGY can forecast which ice times will likely be used and release any unpopular times. **YOU MAY ENROLL IN BOTH TYPES OF LESSONS!** Contact our office at info@synergyhockeyskills.com with any questions.
