SYNERGY SKILL ADVANCEMENT TRAINING (SSAT): Created specifically for the A or B level PeeWee, Bantam and Midget aged skaters that are serious about advancing to the next level. This program should be used as a way for dedicated hockey skaters to maintain, correct and improve upon their existing skills, but also advance their skills to higher levels over the course of the summer months. Skaters can expect individual, and position specific training in small groups. Skaters will build confidence by repetitiously executing skill work in real game like situations. Participants have multiple hours of ice each week to choose from to create their own flexible schedule (60 min sessions each). Participants are to purchase lesson CREDITS/PASSES - 1 Credit = 1 Lesson. Purchase options of 18 Lesson Credits, 14 Lesson Credits, or 10 Lesson Credits. Participants then use their purchased credits to schedule their lessons from the event within the UpperHand enrollment system. 16 skaters max per session. All sessions at the St. Louis Ice Zone.

PREREQUISITE: rising PeeWee, Bantam or Midget skater. Contact our office for questions about eligibility – info@synergyhockeyskills.com

ADDITIONAL IMPORTANT PROGRAM DETAILS:

- Sessions fill quickly (only 12 skaters per ice time) so schedule your lessons ASAP!
- SYNERGY reserves the right to cancel ice times with too few skaters scheduled. Should this happen, you WILL be notified via the UpperHand software with an email and a lesson credit added to your account to reschedule for another day/time.
- **You have the ability to CANCEL and RESCHEDULE your lessons up to 5 days prior to the ice time.** All lessons must be scheduled 5+ days out. UpperHand will NOT allow you to schedule (or cancel) less than 5 days in advance - this is for proper scheduling of our staff.
- No-Shows will result in a forfeited lesson and will NOT be refunded, credited or replaced with another lesson.
- Participants/guardian are responsible for their own training schedules - scheduling/cancelling/rescheduling - all thru the UpperHand software - all must be done 5 days prior to lesson.
- Participants not properly scheduled for a lesson, will NOT be allowed on the ice for that particular lesson time. NO EXCEPTIONS!
- Ensure that your email is set to receive emails from the UpperHand system to ensure delivery of any and all updates or notifications.
- **SYNERGY will assume all registered participants to have read and agreed to all the above information, terms and conditions related to how this program and the self-scheduling features work. Again, no refunds, credits, cancellations and no-shows = lesson forfeit.**
